

GROW YOUR BUSINESS THROUGH REFERRAL NETWORKING

Why make cold calls when you can get qualified leads from Coachella Valley Referral Partners (CVRP) members? Business owners, independent contractors, and employees responsible for sales and business development meet every Thursday morning to exchange referrals for new business. Thousands of dollars in new business have been generated for our members through "leads," and by doing business with each other.

You won't see your competition at Coachella Valley Referral Partners. CVRP guarantees your exclusivity within the membership. We allow each member to represent one business category. The categories are not duplicated unless the existing member in that category agrees and the potential new member is not a direct competitor. If your category is unavailable, you may request to be placed on a waiting list.

We are only interested in new members who are seriously committed to business development.

CVRP is a self-supporting, non-profit organization committed to empowering local businesses to prosper through referral networking.

Come to one of our meetings and see how CVRP can make a positive impact on your bottom line!

**Call Paul D. Cain at 760-275-2974
